

# Immunization Update 2010

## Thursday, September 16, 2010

This course will provide up-to-date information on the rapidly changing field of immunizations. Anticipated topics include influenza, pneumococcal conjugate, human papillomavirus, and meningococcal vaccines. Other emerging issues will be discussed, including the latest information from the June 2010 meeting of the Advisory Committee on Immunization Practices.

### Course Objectives

After the course, participants will be able to:

- List two recent immunization recommendations made by the Advisory Committee on Immunization Practices (ACIP).
- Describe two emerging immunization issues.
- Locate resources relevant to current immunization practice.
- Obtain, assess and apply patient information to determine the need for immunization.

### Target Audience

Physicians, nurses, nurse practitioners, physician assistants, DoD paraprofessionals, pharmacists, health educators and their colleagues who either administer vaccines or set policy for their offices, clinics, communicable disease or infection control programs; both private and public healthcare providers, including pediatricians, family practice specialists, residents, and medical and nursing students.

### Faculty

**Donna L. Weaver, RN, MN; Andrew T. Kroger, MD, MPH;**  
**Iyabode Akinsanya-Beysolow, MD, MPH, FAAP; and**  
**William L. Atkinson, MD, MPH;** Centers for Disease Control and Prevention and other guest experts.

### Registration

This course is offered free of charge. Please complete the registration form below and select a location for the time you would like to attend. Fax completed forms to 1-866-211-3427 (toll free) or 808-236-3621 by **August 27, 2010.**

### Continuing Education Credits

Continuing education credits for this course will be provided. Additional information will be distributed to course participants.

### Archived Webcast

This program will be made available as a self-study program. Details will be available at <http://www.cdc.gov/vaccines/ed> in late September 2010.

Event coordinated by the Hawaii State Department of Health Immunization Branch. Questions may be directed to Course Coordinator, Lee-Ann Choy at 808-864-9812.
